

Form completion / application support:

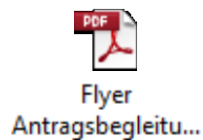

The application for unemployment benefit II is still perceived as too difficult. The application forms are preparing people with an immigrant background and speech difficulties problems.

The application supports the Federal Employment Agency with an electronic form completion on the Internet. You can access this [link](#). Furthermore, the completion instructions are available for unemployment benefit II application and the data sheets SGB II in various languages at this [link](#) for you.

In Job Center Darmstadt migrants have the possibility to get in applying for unemployment benefit II Ar-language support through "application companion / inside". In cooperation with the Intercultural Office of Science City Darmstadt, the German Red Cross and the Jobcenter Darmstadt a concept was developed, which provides people with immigrant backgrounds free and confidential support during the application. By linguistic and cultural skills of employees a smooth communication is ensured.

The employees of the form completion see the Job Center in Darmstadt Room 18. The Service point can be reached at the phone number 06151/42854308 and asks for corresponding appointment.

The opening hours and languages offered, refer to the following flyer
